## PRESIDENT, OPERATIONS MANAGEMENT SERVICES

[druskin@brileyfin.com](mailto:druskin@brileyfin.com)

(615) 714-5530  
[vCard](#)

Dan Ruskin has over thirty years of experience and has been a visionary and early pioneer in the operational restructuring industry for recognizing the potential of bringing in “best practices” from other industries. He has been instrumental in increasing value for some of the largest private equity firms in the world as well as leading and implementing programs for major automotive OEMs and suppliers. Dan has participated in over 350 engagements and has led projects for several renowned companies across various industries.

Prior to B. Riley, Dan was the Founder and Managing Partner of Anchor Resource Management where he had a demonstrable track record of enhancing value in a variety of industries and functions. He is recognized as one of the top turnaround and restructuring leaders in the country.
