ColorLogic™

HAYWARD®

ColorLogic features that really shine.

- Easy installation. Lightweight unit fits in Hayward's in-ground niches.
- Ability to synchronize two or more lights.
- Sealed unit requires no maintenance and virtually eliminates service calls—no bulbs to change.
- No moving parts. LED lighting technology replaces the traditional color wheel for noise-free operation and a longer product life.
- Low power use for economic operation.

For more information on how you can start swimming in color, visit your local Hayward retailer or call 1-888-HAYWARD or visit www.haywardnet.com.

Introducing ColorLogic™ from Hayward®

Bringing the colors of imagination to life.

Your summer holiday party will be a star-spangled hit with USA Color Show!

Give personality to your pool with ColorLogic™ from Hayward®. ColorLogic uses patented Chromacore® technology to control color intensity and duration and offers the latest preprogrammed LED technology, letting you choose from one of five rich, fixed colors or an unprecedented seven color-changing shows.

ColorLogic is easy to operate — just flip the switch to power cycle through your lighting choices to create a pool as unique as your imagination. ColorLogic also offers the industry's only integrated safety feature of 15 seconds of white light at startup, for added convenience and peace of mind.

And the LED lights provide proven, long-lasting performance. With ColorLogic, your pool is the perfect backdrop for all your nighttime get-togethers.

Host a Hawaiian luau by the Deep Blue Sea, a fixed-color option.

Gemstone is the perfect choice for a romantic evening for two.

Color shows are a stroke of entertaining brilliance.

Whether you're planning a party for kids, a cocktail reception or a holiday get-together, ColorLogic has seven exciting color shows that are sure to set the mood you desire with constantly changing colors at various speeds. With the simple flip of a switch, you can dazzle your guests with everything from festive bursts of color to serene color fades and washes.

Twilight — 1,536 colors constantly change to create a relaxing and sophisticated mood for evening entertaining.

Voodoo Lounge — When it's time to really get the party going, uncork over 1,500 colors for an unforgettable night.

Tranquility — Set the mood for a relaxing evening with this serene show of calming blues and white.

Gemstone — Vibrant blue, green and magenta make this show a jewel of a choice for any pool party.

USA! — Show your patriotic spirit on the Fourth of July or any time with this star-spangled red, white and blue show.

Mardi Gras — Kids and adults alike will love the 36 fast-changing colors and carnival atmosphere created by this cheerful show.

Cool Cabaret — Hit the disco and turn your pool into a nighttime hot spot with this vibrant show of 36 colors.

Fixed colors give your pool personality.

From tranquil Afternoon Skies to sparkling Sangria, ColorLogic provides the colors that inspire imagination. With five dazzling fixed colors, you get constant, unchanging color for as long as you want. So relax in the Deep Blue Sea or swim under Cloud White — it's your choice.

Afternoon Skies

Your evening pool, with middle-of-the-day blue.

Deep Blue Sea

Rich, saturated color makes you feel like you're swimming in the ocean.

Emerald

Give your pool the alluring magic of gemstones.

Sangria

The romance of Madrid, with a dash of fiesta.

Cloud White

Show off your pool's crystal-clear water by illuminating with Cloud White.
