

Sustaining a loss can present a tremendous challenge to any business. GlassRatner professionals are commonly asked to step in to assist in such cases. We work with business owners, attorneys and adjusters to help usher distressed businesses through the insurance claims process.

With experience evaluating claims from the insurer's perspective and preparing claims on behalf of policyholders, our professionals use this valuable insight to protect and enhance value for our clients. Our forensic accountants regularly distill complex financial matters into an easily understood format for presentation from the date of loss all the way through the time of trial.
