

Biography:

JOSH KREISMAN

ASSOCIATE

[vCard](#)

Josh Kreisman joined GlassRatner in 2017 as an Associate in the Atlanta office. Josh earned his CPA, CA while working in the audit group at EY in Toronto, Ontario, Canada. He has also gained experience in business valuation, forensic accounting and litigation support while working at a medium-sized accounting firm in Toronto.

Since joining GlassRatner, Josh has undertaken multiple engagements including:

- Forensic analysis of credit card purchases relating to an alleged \$4M shareholder fraud over a 6 year period;
- Investigation of an alleged \$84M class action damages claim relating to real estate investments of commercial properties in the State of Florida. Provided forensic accounting analysis on general ledgers and bank statement accounts;
- Analysis of cash flows and tracing of cash in litigation matters; and
- Performed litigation and forensic accounting support on multiple ongoing matters in a variety of industries.

Josh graduated with a Bachelor of Commerce (Accounting) from Dalhousie University in Halifax, Nova Scotia, Canada. He is a CPA, CA (Chartered Professional Accountant, Chartered Accountant) with CPA Ontario and is currently enrolled with the CICBV (Canadian Institute of Chartered Business Valuators) in pursuit of his CBV designation (Chartered Business Valuator).
