

Biography:

## ANTHONY MCINTYRE II

### ASSOCIATE

[vCard](#)

Anthony McIntyre joined GlassRatner as an Associate in 2018. Prior to joining the firm, Anthony served as a Data Analyst with the Coca-Cola Company where he assisted with the mass data migration of bottler customer and contacts. Prior to that, Anthony served as a Data Analyst with Genesis Asset Management Strategies Group. While at this position, he revealed business problems within the business process, formulated potential solutions and developed visualizations of the procured data.

Anthony holds both a Bachelor and Master of Science in Kinesiology from Georgia Southern University.
