INTELLECTUAL PROPERTY PRACTICE

1

GlassRatner's extensive experience in IP damages analysis, valuation, strategy, and transactional consulting makes us uniquely qualified to address your IP issues. We provide intellectual property services in three areas: litigation support (expert witness testimony and damages), valuation and assessment of intangible assets, and royalty audits and compliance.

Litigation and Testimony

Our experts have developed credible theories, constructed and critiqued economic damages models, and testified extensively in a wide variety of intellectual property disputes, including cases related to:

- Patent, Copyright, Trademark Infringement
- Theft of Trade Secrets
- Conversion / Fraud
- Misappropriation
- Unjust Enrichment

Valuation and Analysis

Our team has valued all types of intellectual assets including trademarks, patents, copyrights, trade secrets, licenses, formulas, designs, software and R&D. We have valued IP for a wide range of purposes, including:

- Strategic Planning
- Mergers & Acquisitions
- Tax Planning
- Financial Reporting
- Bankruptcy
- Litigation

Investigations and Audits

GlassRatner has extensive experience conducting and performing the following:

- Identifying Trade Secret Theft
- Investigations into Copyright, Trademark and Patent Infringement
- Auditing Royalty Obligations
- Evaluating Royalty Reporting Processes
- Implementing Licensing Programs

Each Project is Unique

At GlassRatner, we recognize that each intellectual property matter involves unique fact patterns, challenges, and issues. Rather than applying rules of thumb and templates, we perform case-specific and fact-driven analyses to address the unique circumstances of each matter.

The credible approaches taken by our experts have been successfully and consistently presented before Federal Courts, arbitration panels, and International tribunals.
