Internal Investigations

Irene Byela joined GlassRatner as an Associate in Atlanta's Forensic Accounting & Litigation Support practice. Prior to joining the firm, Irene was an Indirect Tax team lead at a telecommunications and information consulting firm. During her time there, she gained valuable analytic and research skills working in various specialty areas including tax compliance, tax accounting, audit defense, tax automation, process improvement, tax mapping and billing.

Irene has a strong educational background that enhances her work at GlassRatner, including a Bachelor's of Business Administration in Accounting and Finance, Masters of Professional Accounting, and Masters of Business Administration with a concentration in Business Intelligence and Cyber Security from University of West Georgia. She is also fluent in Ukrainian and Russian.
