Wen Tan joined GlassRatner as an Associate in 2018. Wen was previously an Intern with GlassRatner where he provided analysis and support for deals in the Healthcare, Real Estate, Entertainment, Technology, Wealth Management, and Energy industries. Prior to GlassRatner, Wen worked as an accounting supervisor for a healthcare distribution company.

Wen has a Bachelor's of Business Administration degree from Brock University. He also has a Master's of Business Administration degree from Chapman University. During his time at Chapman University, he and his team won the ACG Cup M&A Case Competition for the first time in Chapman University history, defeating traditional powerhouse teams from USC and UCLA. He was also inducted to the Beta Gamma Sigma Academic Honor Society in 2018.

Wen is fluent in Mandarin and Cantonese.
