Kiara Wilson joined GlassRatner in August 2019 as an Associate in the Atlanta office. Kiara's background includes experience in banking, internal audit, and public accounting. In her role as an auditor with a national CPA firm, Kiara worked with sophisticated audit clients with revenues ranging from \$2 million to \$5 billion. Kiara's industry experience includes manufacturing, consumer products, media, technology, and telecom. Kiara's experience in audit, together with her investigative mentality, makes her a natural fit for the forensic accounting assignments conducted by GlassRatner.

Kiara's experience includes:

- Assisted in limited due diligence procedures of a privately held independent software vendor, with approximately \$5M of annual recurring revenue and \$1M of annual EBITDA, for a potential debt investment.
- Assisted with the expert report regarding alleged unpaid services on a multi-million-dollar construction project. Organized and analyzed invoices and other relevant information in connection with claimed paid and unpaid services.
- Various support roles in litigation, due diligence, and forensic accounting in a variety of industries.

Kiara graduated with a Masters of Accountancy and Bachelors of Business Administration in Accounting from Valdosta State University. In addition to her CPA designation, she is a member of the National Association of Certified Fraud Examiners, currently pursuing her CFE designation.
